GENERAL INFORMATION

- Class size will not exceed 12 children and be no less the 4 children.
- Children must be at least 3 years of age as of December 31 of the enrollment year.
- Families must be willing to fundraise and attend ONE or more volunteer commitment (toy cleaning etc.).
- Students should NOT be dropped off more than 10 minutes before class.

Parents are encouraged to TRY to make their goodbyes as brief and positive as possible, assuring their child that playschool will be fun, and they will be back to get them soon. Prolonged stays can influence other children, who may then insist that their parents should stay as well.

POTTY TRAINING POLICY

We strongly encourage children to be potty trained to attend school. If your child has an accident the parent will be notified. On the second accident the board and parent will be notified to devise a plan to better suit the student and the school.

PLAYSCHOOL PARENT COMMITTEE

Our playschool is run by the parents of the children in the program; as such, your involvement is crucial to the day to day management of this facility and we strongly encourage you to join the committee. As a member of the Committee, you will have an impact on the future of this playschool association and its policies and programming. Attending monthly meeting also gives you more opportunities to connect with fellow parents as well as the teachers.

The Committee work is done on a voluntary basis. The Playschool Parent Committee consists of the following positions and holds monthly Meetings. All Parents are welcome to join the meetings.

President Vice President Treasurer Secretary Fundraising (2) Equipment Publishing Registrar

LATE PICKUP POLICY

Please note class start and stop times. Parents are required to pick up their children, no later than 11:30am for morning classes and no later than 3:00pm for afternoon classes. Late charges will occur after 11:35am and 3:05pm. If you are unable to pick up your child at the scheduled time, please call the playschool as soon as possible. Late Pick up Procedure will always be in place even if we are aware you will be late.

1st time: A Written Warning with documentation and a signature from the parent.

2nd time: \$5 charge per 5 minutes late.

** We understand emergency situations may arise and cause you to be late, please call the Playschool as soon as you know you may be late.

COMMUNICABLE DISEASES/SICK CHILDREN

In the event that a child has been infected with a communicable disease, the playschool will follow the guidelines set forth by Public Health. In any case, notes will be sent home to all parents.

Students should not attend Playschool on days that they are ill (vomiting, diarrhea, fever etc.). Should your child become sick at Playschool, we will make every effort to contact you or your emergency contact to pick up your child.

If your child presents any signs or symptoms of illness please do not bring them to the playschool. Please contact Heathline811 for further instruction. Once the child is cleared by Public Health, then they can return to class.

The playschool will be following the Government of Saskatchewan's guidelines created for primary and secondary schools for Covid-19. The playschool has implemented the following in order to create a safe environment during the Covid-19 pandemic:

- a. Additional cleaning and sanitizing will be completed after each class.
- b. All children must wash hands upon entering building.
- c. Designated coat hooks will be assigned to each child and will be spaced out to maintain proper social distancing.
- d. Children will be encouraged not to share food or drinks.
- e. Any toys that cannot be easily cleaned and sanitized will be temporarily removed from the play area.
- f. Drop off and pick ups will be limited to one family member only, no siblings.
- g. During days designated as party days (ie: Halloween, Christmas, etc), shared snacks will not be implemented this year. The child will be asked to bring a regular snack those days.

In case of absence from class, please notify the Playschool staff.

In the event you miss your scheduled day of Playschool due to sickness or other obligations, the Playschool CAN NOT accommodate your child to attend on another day as a replacement. If your child would like to come on an extra day, drop-in fees will apply.

CLASSROOM INFORMATION:

*** Mailboxes**

Each student will have a "mailbox" at the playschool. Please check it every time you pick up your child. Completed crafts and leftover snack items will be located there.

*** Bulletin Board**

Be sure to check the bulletin board at the entrance for any notices. If the teacher needs any used items for crafts it will be posted on the bulletin board. There will also be notices posted there regarding any field trips that may be coming up and any parties that will be happening. The White board beside it contains important reminders for parents and toy cleaning schedule information.

*** Library Books or File Folder Games**

There is a small library of books or file folder games available for the children to borrow. If there is a book your child would like to borrow, please have them show this book to the teacher so they can record the date it was taken and by whom. When the book is returned, please ensure that the teacher is aware so it can be checked off of the list.

*** Snacks**

We are pleased to support a NUT FREE Policy. Given the potentially serious nature of all child allergies, especially peanut allergies, we require that all snacks provided do not contain PEANUT or other NUT products.

We recommend following Canada's Food Guide for healthy Snacks Choices. Snacks should be limited to 2 items (example: fruit and dip or cheese and crackers) as the children only have 15 minutes to enjoy their snack. We ask that children bring their own labeled reusable water bottles in an effort to reduce waste. We have found that children rarely finish an entire juice box in the time given for snack. No GUM is allowed in the Playschool.

CLOTHING REQUIRED

The children require inside footwear (shoes must be worn at all times) and an extra set of clothes (to remain in their backpack until needed). As they may be participating in outdoor activities, please dress your child appropriately for the weather. Parents are responsible to undress and dress their own child and to see that they get in/out of the playschool. PLEASE label ALL of your child's belongings and check the Lost and Found box regularly!

IN CASE OF EMERGENCY

In the event of a situation where the safety of the children is compromised, via fire or other such emergency, the children will be evacuated in a timely and rehearsed manner to the Outlook Post Office. It is imperative that parents wait for us to contact them before attempting to enter the Playschool under unsafe conditions. We will follow emergency protocol and make every effort to contact you as soon as possible.

The playschool's calendar will also be following the Sun West School Division's guidelines for Covid-19, which means if the school closes due to the Covid-19 pandemic then the playschool will close also.

Unexpected closure due to circumstances beyond the control of the playschool will NOT result in financial reimbursement (i.e. weather, plumbing problems, structural problems, etc.).

FIELD TRIPS

Our intention is to provide opportunities for your children to explore our community and various other sites of interest throughout the playschool year. However, due to the Covid-19 pandemic there will likely be fewer field trips planned than in previous years. If the playschool is able to plan a field trip, parent involvement is appreciated in these adventures, not only to aid with supervision but also to share in the experience with your child. Dates of tours will be included in the monthly newsletters and posted on the bulletin board, website and Facebook page. If you would like to be a helper please let the teacher know in advance.

CLASS PARTIES

Parties are usually held at Halloween, Christmas, Valentine's Day, Easter, and the end of the year. Playschool graduation is held for the 4 year old classes in May.

TOY CLEANING

Toy cleaning is done each month by 3 or 4 parents. This is a mandatory practice that must take place to reduce the transmission of germs. This practice is enforced by the Public Health Inspector.

There will be a sign-up sheet on the Parent Board at the Playschool. Please choose a date that works for your family. If not signed up by October, a date will be assigned to you and it will be YOUR responsibility to trade or find a replacement if you are unable to make it. The person on the list with an * by his/her name will be responsible to phone & remind the rest of the group. The monthly Newsletters will include the Toy cleaning date for that month and the parent's names as a reminder. Toy cleaning is done on a Thursday evening and will take approximately one hour if all assigned parents attend. An explanation of the toy cleaning procedures is available at the Playschool. Information sheets are also provided when Toy Cleaning is being done.

*Toy Cleaning Fee: Parents are asked for a \$60.00 UNDATED cheque. In the event that you DO NOT show up for your Toy Cleaning day at the playschool or find a replacement or trade, your cheque will be cashed. If you complete your day or find a replacement, it will be returned to you after completing your toy cleaning or upon completion of the school year.

FUNDRAISERS

As a not for profit organization, we rely heavily on fundraising to enhance programming choices and to supplement running costs (e.g. Rent, supplies etc.) As a Parent Run Playschool Committee, we ask all parents to become involved in or support whatever fundraising opportunities that are presented by your peers. The type and amount of fundraising will be decided at the beginning of each school year by the parents on the Parent Committee.

*Fundraisers - A fundraising schedule will be issued at the beginning of each year once it has been decided and approved by the Parent Committee.

DISCIPLINE

The playschool will not tolerate inappropriate language or dangerous behaviour from any child. If this is a problem, the following will apply:

* *1st time* – child will be taken to time out and it will be explained by the teacher what inappropriate behaviour has occurred and that it cannot be used at playschool. Parent(s) will be notified.

* *2nd time (same day)* – Parent(s) will be phoned to come and take the child home for that day. Child will return to playschool on his/her next scheduled day.

* If this becomes a recurring problem, it will be up to the discretion of the teacher and the Executive to handle the suspension time appropriately. In extreme situations, the child may be asked to withdraw from the program for that year.

WITHDRAWING A STUDENT

Families will be given a four-week grace period (starting the first day of classes) in which if you withdraw your child from the program the remaining fees, less a \$60 non-refundable administration fee. All un-deposited cheques and registration/personal information will be returned to the parent by mail within two weeks of withdrawal. After the four-week grace period the complete registration (less the \$60 toy cleaning fee) will NOT be reimbursed.

Withdrawing a student after registration, before the school year starts (Sept 3) will result in a non-refundable fee of \$60 being kept by the Playschool. All other information and fees will be returned to the parent by mail within two weeks of withdrawal.

The playschool reserves the right to request the withdrawal of any child during the year upon the discretion of the teacher and Executive. If this occurs you will be reimbursed the remainder of your fees, less the non-refundable administration fee.

Keep in touch!
